Product features:

Dimensions: 37x27x12cm

POIDS.: 1kg

Number of kits: 1

Reference: 34079

EAN13: -

The padded first-aid kit with removable inner pocket (26x12x5 cm) is an essential piece of equipment to ensure your safety in all circumstances. Thanks to its sturdy, practical design, this kit allows you to optimally store and organize your first-aid equipment. The transparent front allows you to quickly view the contents, making it easy to access what you need in an emergency. This kit features internal elastics to hold your supplies in place and a high-quality YKK® zipper for maximum security.

It also offers easy transport thanks to its hand-carry handle and shoulder strap, allowing you to take it wherever you go, whether in the car, at home or on outdoor trips.

Features :

- **Dimensions:** 37x27x12 cm
- **Capacity:** 12 liters
- **Weight:** 1 kg
- **Outer shell:** CODURA, a hard-wearing, waterproof material
- **Closure:** high-quality YKK® zipper for added security and durability
- **Removable inner pocket:** 26x12x5 cm, ideal for practical, organized storage
- **Storage elastics:** To hold equipment in place inside the case
- **Transport:** Hand carry handle and shoulder strap for optimal mobility

Advantages :

- **Sturdiness and durability:** CODURA coating ensures protection against weather and impact, guaranteeing the longevity of your first-aid kit.
- **Quick access:** The transparent front allows you to see the contents of the kit immediately without having to open it, a valuable asset in emergency situations.
- **Optimized storage:** Interior elastic bands keep your supplies organized and accessible, saving time when every second counts.
- **Convenient transport:** The hand-carry handle and shoulder strap make carrying easy and comfortable, whether in the car or on foot, ideal for outdoor first aid.
- **Removable inner pocket:** This feature lets you organize the contents according to your specific needs, and easily remove certain sections when you don't need them.

Use:

This first-aid kit is ideal for use at home, in the car or during your outdoor activities (hiking, camping, travel, etc.). It's designed to meet essential needs in the event of an accident, providing secure, accessible storage for your first-aid equipment. Its practical design and sturdiness make it an essential choice for anyone concerned about their safety, whether for personal or professional use.

The padded first-aid kit with removable pocket is a complete and practical piece of equipment for any emergency situation. With its 12-liter capacity, quality materials and easy transport, it offers you essential safety and peace of mind. Whether you're traveling, at home or out on a call-out, this kit will be an invaluable ally in ensuring fast, effective responses when needed.
