## Helmet ring 3315Z0 - Peli

**Ref. manufacturer (SKU):** Helmet light ring 3315Z0

**Brand:** Peli

**Product type:** Flashlight accessory / Helmet adapter

---

**Peli 's 3315Z0 helmet ring** is an essential accessory for safety professionals, firefighters and first-aiders. Specifically designed to ensure optimum attachment of **Peli 3315Z0** flashlights to **F1 and F2 helmets**, this adapter ring guarantees perfect compatibility and optimum stability in emergency situations. Its robust, lightweight design ensures reliable use even in the most extreme conditions.

### Technical specifications:

- **Flashlight compatibility:** Peli 3315Z0
- **Helmet compatibility:** F1 and F2 helmets
- **Material:** Highly resistant (polycarbonate or similar)
- **Installation:** Easy to fit, secure fit
- **Weight:** Ultra-light
- **Professional use:** Certified for emergency use

### Advantages :

- **Secure attachment:** Securely attaches the Peli 3315Z0 lamp to F1 and F2 helmets without play or slipping.

- **Adaptability:** Fits perfectly on F1 and F2 helmets, widely used by emergency forces.
- **Robustness:** Designed to withstand shocks, high temperatures and harsh environments.
- **Ergonomics:** Lightweight and unobtrusive, it does not impede the user's vision or movements.
- **Peli reliability:** Accessory from a brand renowned for the quality of its professional equipment.

## Use:

The **3315Z0 helmet ring** is ideal for:

- Firefighters using F1 or F2 helmets and wishing to mount a Peli 3315Z0 flashlight.
- Safety professionals working in dark or low-visibility environments.
- Rescue teams working in industrial areas, underground or in extreme conditions.

Fast, secure mounting: the accessory snaps on easily, without the need for special tools, and ensures a firm hold on the lamp throughout the intervention.

The **Peli 3315Z0 helmet adapter** is the essential accessory for all professionals equipped with a **Peli 3315Z0 flashlight** and an **F1 or F2 helmet**. A guarantee of safety, stability and performance, this mounting ring allows you to intervene in the best conditions, even in critical situations. Trust **Peli** quality for your mission equipment.
