500 ML bottle PLUM 4604 saline solution

Plum Eyewash 0.9% Sodium Chloride is a sterile 0.9% sodium chloride solution, designed to provide first-aid eye care in the event of foreign body splashes to the eyes. It relieves discomfort and prevents complications linked to impurities, dust, wood shavings or iron filings, offering a fast, effective response for eye safety.

Available in 500 ml bottles, this solution is ideal for industrial environments, laboratories and first-aid kits. The product stands out for its ease of use, compatibility with eyepiece rinsing systems and reliability for professional use.

Product features

- **Sterile 0.9% sodium chloride solution:** Identical to the composition of human eye secretions, ensuring high tolerance and efficacy.
- **Effectiveness:** Effectively rinses away foreign bodies such as dust, wood shavings, iron filings, oils and solvents.
- **Practical design:** Single-use bottles with an easy-to-open design for immediate use.
- **Shelf life:** 3.5 years.
- **CE mark:** Complies with current safety standards (MDD 93/42/EEC).

- **500 ml bottle**
- **Ready-to-use bottles:** Compact and easy to carry in pockets, first-aid kits or toolboxes.

Benefits and uses:

- **Immediate use:** Ready-to-use solution provides fast, effective first aid in the event of an accident.
- **Versatility:** Suitable for a wide range of situations, from industrial workstations to laboratories, healthcare environments and emergency vehicles.
- **Ease of application:** Easy to use, even by the injured person himself, with ergonomic eyecups for optimum cleaning.
- **Compliance and reliability:** compliant with current safety standards and designed for reliable use in emergency situations.

Plum Eyewash 0.9% Sodium Chloride is an indispensable solution for eye safety in many professional and industrial environments. Its 0.9% sodium chloride formula is ideally suited to removing foreign bodies and quickly relieving eye irritation. Thanks to its practical design and varied formats, this product guarantees effective and reliable protection, while being easy to carry and use.
